

Is your business taking **full advantage of Social Media** like Facebook, Twitter and other popular sites?

Can your customers **access your website on a mobile phone?**

**TOTALsnap** is the fastest way to get your business successfully on Facebook, and provide a mobile phone friendly website!

INTERNATIONAL GUIDE and VISITOR'S CHOICE have teamed up with **Hosting Nation**, the developers of **TotalSnap**, to provide our clients with an incredible opportunity to have your own Facebook page and drive more traffic to your website.

- ★ All display advertisers of International Guide and Visitor's Choice will be featured automatically on our new website at no extra charge.
- ★ If you wish to reap the benefits of your own Facebook page on our website with TotalSnap, the cost is only \$240 for one full year of coverage.

Our representative will be pleased to show this to you!
